

## PO BOYS BASS CLUB OF LAKE WALES

### APRIL 2017 RESULTS – LAKE REEDY RETRACTION

#### **TALK ABOUT LACK OF COMMUNICATION!!**

**Sorry guys. As we said, we had a little lack of communication with the transition team, and our original April Newsletter had the Second and Third Place teams wrong. So we are issuing a new, revised April Newsletter, with the correct winners! Our apologies to the teams involved. We'll try to do better in the future!**

*Revised letter.*

Lake Reedy was pretty good for most teams. **First Place** went to **Darryl Robey & Carl Carmichael**, with 15.76 lbs. Pretty good for old coots!

**Second Place** went to **Lonnie & Dave Simmonds**, with 15.00 lbs. They also brought in the **Second Big Bass** for the tournament, with a nice 6.86 pounder. Way to go, boys!

**Third Place** was taken by **Terry Nesbitt & Joey Touchstone**, who had a total weight of 14.34 lbs. New officers luck! Of course, the fact they also had **First Place Big Bass** might have helped, with them bringing in a nice 7.25 lb bass! Nice job, guys.

Congratulations to all these teams, and again, I'm sorry about being late. I sure hope I got it right! (*obviously not*)

Don't forget that we changed lakes for our next tournament, and also moved up the date, due to Memorial Day being the next week! We will be going to Lake Toho on May 21<sup>st</sup>. We will launch from **Southport Park ramp**, and will be fishing from Safe Light til 2 p.m. **Remember, safe light is earlier now, so get there early, OK?**

*Have a good day!*
