

PO BOYS BASS CLUB OF LAKE WALES

DECEMBER 2017 RESULTS – KISSIMMEE RIVER

BYE, BYE 2017!

“Up a lazy river” was maybe a good description for our tournament. As usual, someone always has a good day, and brings home the bacon. It’s really nice to see new teams in the winner’s circle, and it shows our club isn’t dominated by any one team.

Dell & Jason Danes took **First Place** with **16.32 lbs**, and that’s a pretty good bag on any lake. Good job!

Second Place went to **Charles Coleman & Joe Frierson**, with **14.59 lbs**. A great way to end the year!

Third Place went to another Coleman, **Steve Coleman & Jason Brewer**, with **12.41 lbs**. Good to see you back in the winner’s circle!

First Place Big Bass went to the **Danes boys** with a nice **6.91 lb** big guy! They sure worked hard for this one, and it helped them secure First Place for the tournament.

Second Place Big Bass went to **Charles Coleman & Joe Frierson**, with a nice **6.35 pounder**. This team was all over Second Place that day, I guess, but they didn’t miss out on Big Bass by much!

A good day fishing for all these guys, and they all deserved the win.

The new year is upon us, and we’re off to a good start. Our raffle was very successful, and we hope for good results on our next one. Please support your club. We are all a part of a good thing, and we hope our classic will show our good intentions.

Our next tournament will be on **Lake Marion** on **January 28th, 2018**. We will be launching from **Bannon’s Fish Camp**, and fishing from Safe Light until 2 p.m., as usual.
