

PO BOYS BASS CLUB OF LAKE WALES

JANUARY 2018 RESULTS – LAKE MARION

NOTHING LIKE A SUNDAY AFTERNOON WHUPPIN'!

Joey Smith & Jason Eldridge took **First Place** with 22.02 lbs, and put a whuppin' on us. On that lake, I don't think I could have caught that much in TWO days! Nice going, guys!

Not too far behind were **Steve Coleman & Jason Brewer**, taking **Second Place** with 17.37 lbs. Just to even things out, they snatched **Big Bass** away from Joey & Jason by .03 pounds, with a nice 6.93 lb biggie! So Joey & Jason ended up with **Second Place Big Bass** with their 6.90 pounder.

Third Place went to **Dalton Hangar & Austin Spurlock**, with 15.02 lbs. Nice catch, guys!

This time Lake Marion turned out to be better than a lot of people expected. Apparently these three teams kept a pretty good secret. Keep going, guys!

Our next tournament will be on **Lake Walk In Water** on **February 25th, 2018**. We will be launching from **Indian Lake Estates Boat Basin**. I have requested parking permits, and everyone will be given a permit when you register for the tournament. I have also arranged for the security gate to be open early, starting at 4 a.m.

Be safe, and don't forget about Valentine's Day for your honey!
