

PO BOYS BASS CLUB OF LAKE WALES

JULY 2017 RESULTS - LAKE KISSIMMEE

OH, TO BE YOUNG AGAIN!!

Cody Wilson & Lane Crosson needed help to carry their **30.56 lb** bag to the scales! They took **First Place**, and **Big Bass**, with a great **9.22 lb** Big Girl! Not sure which one of these guys caught the big one, but nice bag, guys!

Jeremy Steedley & Travis Daughtry took **Second Place** with **22.94 lbs.** They also had a nice 8.36 pounder in their bag, but just missed 2nd Big Bass by half a pound!

Right on their tail in **Third Place** was **Billy Leal & Richie Upchurch** with **22.84 lbs.** Good day of fishing, guys!

A special mention to **Scott Cannella & Don Rooks** for their **Second Place Big Bass**, with a nice **9.14 pounder.** They just missed out on First Big Bass by less than 1/10th of a pound!! Keep going, guys.

Kissimmee seems to like these teams, or they like Kissimmee. AGAIN they had a great day! CONGRATULATIONS!

Most teams had a pretty good day. We had twenty teams that weighed in over 10 lbs., and seven teams that had a bass over 5 ½ lbs. We lost six fish, but this time of year, that's not bad, considering we weighed in over 100 fish! Thanks for doing your best to keep your fish healthy.

Lake Arbuckle is next on **August 27th.** We will be launching from **County Park** boat ramp, and fishing from Safe Light til 2 p.m.

I hope you wore your hat and suntan lotion. As you well know, we have a large number of unprotected heads in our club!

See you on Arbuckle!
