

## PO BOYS BASS CLUB OF LAKE WALES

### JUNE 2017 RESULTS – LAKE PIERCE

#### ***SURPRISE! SURPRISE!!***

Lake Pierce must be coming back. It was really good to see a good weigh-in from Pierce again. I think most of us wouldn't mind coming back again next year!

**Dalton Hangar & Austin Spurlock** took **First Place** with **23.29 lbs.**, and **Big Bass**, with a great **9.26 lb** Big Girl! These guys always seem to come in with a nice bag. They are also leading the AOY standings! Way to go, guys!

**Second Place** team of **Steve Coleman & his son** had a great day, and **20.17 lbs** to show for it. That's really a nice day to spend with your son. Good job, you guys!

Coming in **Third Place** was **Buddy Mongiovi** with **18.08 lbs**, and a nice **6.85 lb** bass in the mix, to take **Second Big Bass**. Just think what might have happened if his partner had shown up!

All in all, there was a pretty good amount of fish brought in, and it looked like a good crowd at the weigh-in.

**Lake Kissimmee** is next on **July 23<sup>rd</sup>**. We will be launching from **Grape Hammock** boat ramp, and fishing from Safe Light til 2 p.m.

It's July and HOT. Make sure you have plenty of water and sun screen. If you have a head like mine, **be sure** to wear a hat!

Hope you have/had a **safe** and fun **FOURTH OF JULY!!**
