

## PO BOYS BASS CLUB OF LAKE WALES

### **E. C. SMITH CLASSIC 2019 RESULTS – KISSIMMEE CHAIN**

#### ***WILD & CRAZY!***

What a weekend for our Classic. I have to tell you about this one! The first thing was our tournament starter, which I can't remember his name. Now this guy really got us going, and I, for one, would like to nominate him for our permanent starter. Just kidding, but whoever you are, you did a great job!

On our first day, **Darryl Robey & Carl Carmichael** took the lead with **21.28 lbs.**, and also **First and Second Big Bass** with a **6.16 Iber** and a **5.? Iber!** What a great day for them!

Not far behind them was **Dalton Hangar & Austin Spurlock** with **16.03 lbs** , and ready for the challenge on Sunday.

Right behind them on Saturday were **Mark Edwards & Buddy Mongovi**, with a weigh-in of **13.53 lbs**, and for sure in contention for Sunday.

Needless to say, the rest of us took a Saturday a—whuppin! For me, the highlight of the day was knocking my partner, Paul Macchia, out of the boat for a nice cool swim, but I did help him get back in the boat, which I thought was nice!

On to Sunday.....

Our **Classic winners**, **Dalton Hangar & Austin Spurlock**, put a whuppin' on us all on Sunday, and won the Classic with a nice total weight of **28.65 lbs**

After Darryl and Carl took the lead on Saturday, they choked big time on Sunday. I won't mention their weigh-in, but I can tell you we had another swimmer in cold water. Yes, this time Carl fell out of his boat unassisted, and really enjoyed the swim. He had to ask Darryl to save him! Even with all that, they did manage to end up in **Second Place** overall with a total weight of **26.05 lbs.**

**Dave & Lonnie Simonds** gained a lot of ground on Sunday, and finished in **Third Place** with a total weight of **25.09 lbs.**

***Congratulations to all the winners!***

This year we had our annual meeting and elected new officers the week before the Classic. (See the results on the website) I believe we have a good group of guys handling the weigh-ins, and that really does help. Please try to help out when you can.

Our new year starts at **Lake Reedy** on **April 28<sup>th</sup>, 2019**. We will launch from **County Park ramp**, and will be fishing from Safe Light til 2 p.m.

By the way, some of you might want to keep your eye on Paul and Carl when you are out on the lake! I told them "No swimming during the tournament!"

***HAPPY EASTER!***
