

PO BOYS BASS CLUB OF LAKE WALES

FROM THE DESK OF THE EDITOR

MAY 2016 RESULTS – LAKE KISSIMMEE

SURPRISE! SURPRISE!

Looks like **Richie Upchurch & Billy Leal** are making a habit of taking **First Place** on Lake Kissimmee. These guys made it look easy, weighing in **25.14 lbs**, and taking Second Place Big Bass with a nice **7.75 lb** bass.

Another good day by **Robbie Wright and Travis Clark**, weighing in **18.46 lbs** to take **Second Place**. They also had a nice 6.97 pounder.

Third Place was won by **Lonnie & David Simonds** with **16.82 lbs**, and that was without any big fish! That's a pretty good day! **Jacob Garrard & Justin Brown** were right on their tail, though, with 16.52 lbs, missing out on a check by just .3 lbs!

Big Bass for the tournament was won by **George Kirkland**, who brought in a nice **8.52 lb** bass. I'm sure both George and Johnny were happy with that!

Congratulations to all the winners!

It's nice to see younger people fishing our club and enjoying the sport of fishing.

We hope to see everyone at **Lake June In Winter** on **June 26th**, at the **County Park Boat Ramp**

Safe light is getting earlier, so please get to the launch site early! As usual, we will fish from Safe Light until 2 p.m.
